### *Message from the Director's Desk*

Three Dots School is a co-educational, English medium School based on CBSE. Education is the basis of all progress. It is for this very reason that we forayed into education eighteen years ago.

The experience of eleven years has taught us that progress is possible only if men and women are equally well-educated. Thus we decided to launch the co-educational school-Three Dots School.

Three Dots School encourages its students to learn about themselves and their constantly changing environment, while at the same offering support and guidance as they practice decision making and social skills.

We are confident that this school is the best place for your child. We welcome your active interest and involvement in the progress and activities of your ward. We look forward to your support.

Three Dots School established with an object of academic excellence, upholding & maintaining ethical values.

The teachers of our school also keep track of the performance of each student on a daily basis. This helps to have an overall view of your child's progress over a period.

**Saurabh Mehrotra**  
Director.

## *Message from the Principal's Desk*

**Mrs. Niharika Mehrotra**  
Principal

We at Three Dots School offer a conducive environment to our students that allows for their overall growth & development into responsible citizens & professionals of tomorrow. Our Erudite Faculty's constant effort to organise periodic workshops on improvement of teaching-learning skills, multi intelligence thinking and creative thinking enables the development of high standards of academic excellence. There are also orientation programme for parents. For the free exchange of ideas.

We also create intellectual, social, emotional spiritual & aesthetic development of the students to enhance their quality of life.

Students are prepared for active, independent learning in an environment which fasters a spirit of enquiry & keep competition.

## ASSESSMENT :

The assessment focuses on the positive aspects of the child's development. The central board of secondary education has introduced the scheme of continuous and comprehensive evaluation, which Three Dots has introduced from class I to IX to facilitate holistic learning. The assessment is not merely limited to student's scholastic attainments but provides feedback of their intellectual, emotional, cultural and social development. The year is divided into 2 terms.

Overall grade of formative assessments over the 2 terms and overall grade of summative Assessments and the grade provided in Co-Scholastic areas are given in the report book, which enlighten the parents about their wards capability to cope up in the next higher class.

## REGISTRATION :

Parents seeking admission for their wards should obtain prospectus and an application form for registration.

Application for registration must be accompanied by :-
